

Camp Friendship

“Enter Here To Be and Find a Friend”

Camp Friendship has various summer programs with over 50 activities for your child or teen to choose from. We believe in stimulating creative minds, building healthy bodies and challenging adventurous souls.

If horses are your passion, our **Equestrian Camp** is designed to provide a fun, safe camp experience with horses. Our program offers the combination of well instructed English hunt seat ring lessons to playing with the horses in the river or taking them out on our extensive cross – country trails.
